Business Summary

KAT Exploration Inc. was established as a for profit corporation in the province of Newfoundland and Labrador on December 5, 2005, by Ken and Tim Stead, who are experienced in mineral exploration and prospecting. The company explores for mineral deposits in and around central and eastern Newfoundland, Canada.

The principal objective of the Company is to locate, stake, prove up and sell mineral properties throughout the province of Newfoundland. It is the Company's objective to take advantage of this increased activity to generate numerous joint venture clients, and sales of our existing and yet to be acquired properties.

Since inception, the Company has acquired through staking, over 15590 + hectares of mineral properties.

With the exception of historical information, this document may include forward-looking statements that involve a number of risks and uncertainties. Actual results could differ materially from those anticipated as a result of various risks. There are numerous factors that could contribute to such differences, therefore such projected events and anticipated results are not warranties or guaranties that such events will occur or that the Company will achieve such results. For more information about this corporation and risks involved in the investment of their publicly traded shares, please see the company's website(s), and/or documents filed with the SEC, which are easily accessible in the EDGAR database system.
